Dictamen UOC: con base en los datos proporcionados por el área técnica incluidos en la presente planilla, los documentos respaldatorios adjuntos y el método indicado por la misma, esta Unidad Operativa señala que la metodología utilizada a fin de determinar el precio referencial ha sido el presupuesto obtenido en fecha 07/06/2021 de la firma COMPUTERPLUS S.A.
Cabe mencionar que, no ha sido posible la obtención de 3 fuentes, ya que no se han podido obtener precios de procesos de otras instituciones o de presupuestos de otras firmas. Por lo que, debido a la especialidad del bien objeto de los servicios de mantenimiento (SISTEMA INTEGRADO DE PROCESAMIENTO DE BILLETES BPS M7 + NOTAPACK10) y las particularidades de las especificaciones técnicas que se requieren en el presente llamado de acuerdo a los términos del PBC, se obtiene el precio referencial en el marco de lo dispuesto en el Anexo de la Res. N° 1890/2020 en el punto que dice: "Excepcionalmente, si por la complejidad, especialidad o particularidad de la contratación no resultare posible alcanzar la cantidad de 3 (tres) fuentes requeridas para la obtención de los precios, la convocante podrá adoptar el mecanismo que considere apropiado para obtener los Precios de Referencia, en cuyo caso tal situación deberá ser suficientemente fundada en el Dictamen firmado por el Encargado de la UOC en el que se detalle la metodología utilizada para la obtención de los Precios de Referencia".
